HERE WE ARE  
TOGETHER!

- Photography is about connection, human connection. Bringing the journey, the soul, the truth of that moment to the viewer.

What you need in the world

Brain to navigate

Soul moral compass

Heart for passion

Muscles into action

Good nerves always something in the way

What would you do if you were not afraid

Don't talk to people but to human

Stand with us and not in front of us

Se mettre par 2

Prendre le temps de la rencontre,

D'écouter l'histoire de l'autre, puis de la  
raconter au travers de la photo

Le temps? 25min pour la discussion, puis 5 min  
pour la photo
